

The 75th Anniversary Celebration

SPECIAL EDITION STAINLESS STEEL HARTFORD

Founded in 1932, this year marks the 75th Anniversary of the Pennsylvania Federation of Sportsmen's Clubs (PFSC). American Legacy Firearms has designed a rifle which pays a tribute to the rich history and values of the PFSC that we all embrace. The PFSC has helped promote outdoor activities throughout the state. Our associations' colorful history and principals are the inspiration for this unique rifle. The 75th Anniversary Celebration comes to life as you run your fingers over the artful engravings that are intricately cut into the rich wood forearms and stock. The receiver of this classic lever action rifle prominently and permanently displays the PFSC logo on one side and artwork unique to our way of life on the other side. Now you can own an impressive fully functional rifle designed to honor our history and become a lasting Family Legacy. Only an "Artist's Proof" plus 100 individually numbered pieces will ever be produced on these 45 Colt Hartford Stainless Steel rifles for our Association. Each rifle costs \$1195.00, plus \$71.70 sales tax. Order yours today!
