

The Pennsylvania Federation of Sportsmen's Clubs, Inc. is the only statewide sportsmen's organization with full-time staff working for you. PFSC listens to and takes its direction from its grass roots members. Here's just a sample of some of the issues PFSC has played a major role in:

- **Stopping HB 2181 – Legislation that would have taken away control of game lands from the PGC & placed them under IRRC.**
- **Repealing the Philadelphia Firearms Act and continually protecting your 2nd Amendment rights.**
- **Filed lawsuit against DEP to establish a responsible bonding program for strip-mining companies.**
- **Establishing fish ladders for migratory species on the Susquehanna River**
- **Protecting existing club shooting ranges from closure due to noise complaints through Act 74 and SB 56 of 1997**
- **Preventing local governments from prohibiting hunting in their jurisdiction, through a successful case in the Supreme Court of Pennsylvania**
- **Insuring the public's right to navigable waterways through a lawsuit over the Lehigh River.**
- **Supporting the bobcat season approved by the Pennsylvania Game Commission- animal rights groups oppose trapping, the most likely means of harvesting bobcats**
- **Supporting the Conservation and Reinvestment Act, and now "CARA light" and state wildlife grant funding- national legislation which will bring millions of dollars to Pennsylvania for wildlife and habitat**
- **Monitoring firearms legislation and all legislation that could be detrimental to our outdoor heritage.**
- **Oppose any merger of our commissions, especially one under DCNR. We believe any merger would lead to a reduction in services to our fish and wildlife resources, and to the sportsmen and women of Pennsylvania who are proud of our outdoor heritage and who want our great traditions and heritage to continue**
- **Support long term alternative funding for our Game Commission and Fish & Boat Commission so they can remain fiscally strong, and fighting for fair and equitable license increases when needed**
- **Supported the Growing Greener II Bond Initiative that includes \$27M for the PA Fish & Boat Commission and \$20M for the PA Game Commission.**
- **The PFSC along with U.S. Sportsmen's Alliance, the PA Chapter of the National Wild Turkey Federation & several other groups, worked tirelessly to help pass legislation that allowed the PGC to create a Mentored Youth Hunting Program in PA.**
- **Helped pass "Concealed Carry While Hunting" legislation that amends Title 34 (Game Law), providing for possession of concealed firearms with a permit for the protection of self or others while engaged in any Title 34 activity.**

IF PFSC ISN'T THERE TO LOBBY FOR YOUR RIGHTS & PRIVILEGES, WHO WILL BE?
