The PFSC is only as strong as the commitment of its members.

Joining PFSC is important, both to give us the numbers to influence the political process, and to provide the funds needed to work effectively. Our opposition is well organized and very well-funded, and we can do no less if we want our traditions to survive.

Most importantly, we need your input and feedback. We need to know when we face challenges in your area or in your sport, and we need your ideas, eyes, ears and mind to help us plan an effective response. When we are attacked, we must be able to hit the ground running, and you are an important part of being able to do that.

Thank you for your continued support of PFSC!
